

Normandale CC Fall in Sydney!

Arrive September 9, 2010 - Depart November 19, 2010

Now is the time to make the investment of a lifetime - complete and gain credit for a semester in Sydney!

The Sydney classroom is like no other, and CAPA brings you the best it has to offer. Through the My Education (ME) program, CAPA actively encourages students to explore beyond the confines of the campus in order to meet and interact with the full-time residents of the city. CAPA students are encouraged to participate in meetings, discussion groups and cultural evenings with representatives of the many ethnic and religious minorities who give Sydney its rich cosmopolitan flavor. A city of international business, fine arts, design, theater, technology, politics and finance, Sydney is an exciting, modern hub that inspires creativity and cutting-edge innovation. All of this awaits you during your time abroad!

The CAPA Sydney Center is located in the North Sydney area of the Lower North Shore. A short ferry ride across Sydney's famous harbour is the historic Rocks district. The campus is well served by public transport with easy access to all parts of the city.
